lessons, skills practice and learning videos for students in grades 6-12. The company is also offering free access to its math coaching software, MATHia, until the end of the school year.

[Movies Archives | Hollywood.com](#)

At the 4? x 6? trim size, 10,000 words ran to 52 pages (that's 192 words per page). So 15,000 words would run to 288 pages, and 30,000 words would run to 576 pages. If you want to calculate any other word count for a 4? x 6? trim size, just remember there are approximately 192 words per page using 11 pt type and the margins noted above.
