Buy concrete patching material. It is available in a pre-mixed form or by buying the separate ingredients in bulk. If you haven't adhered concrete to concrete before, it is a good idea to go with the pre-mixed version, which only requires that you add water. Buying the raw materials, gravel, Portland cement and sand is considerably cheaper than buying pre-mixed concrete patching. If you are ...

The wear is mostly between the legs and I do patch and mend where I can, but sometimes they are beyond repair and head straight to the rag pile. Because the worn out area is mainly in the bum, the fabric on legs of Mr Man's jeans is usually in great condition. I like to save old jeans because denim is such a strong and versatile fabric. Mainly I cut it up to use in other sewing projects like ...

[better source needed] Transport, if analyzed for the cost-benefit analysis for rural poverty alleviation, has given one of the best returns in this regard. For example, road investments in India were a staggering 3–10 times more effective than almost all other investments and subsidies in rural economy in the decade of the 1990s. What a road does at a macro level to increase transport, the ...
