African American literature, body of literature written by Americans of African descent. Beginning in the pre-Revolutionary War period, African American writers have engaged in a creative, if often contentious, dialogue with American letters. The result is a literature rich in expressive subtlety and social insight, offering illuminating assessments of American identities and history.

However, as an international movement affecting all the arts, Romanticism begins at least in the 1770's and continues into the second half of the nineteenth century, later for American literature than for European, and later in some of the arts, like music and painting, than in literature. This extended chronological spectrum (1770-1870) also permits recognition as Romantic the poetry of ...
